From your Editor

Hiya Guys!

And welcome to another great edition of Houseboy Magazine. You asked for it, *and you got it* ... another special bumper picture edition! I'm glad to see that as we go from issue to issue you're all getting more and more into the spirit of things by sending in your outstanding contributions. This is what makes our magazine so very special - *it exists only because you want it to*. Despite continuous pressure I intend to continue our strict policy of refusing commercial advertising on the grounds of our initial policy that Houseboy Magazine would be produced *exclusively* for genuine devotees of our scene. Being a small company dedicated exclusively to our special scene, we simply don't have the human resources to check out the claims that some commercial advertisers want to make (*and some of them make some pretty wild claims!*) so we turn them away.

Some of you will be only too aware of the spurious new publications that try to copy us - that appear and then suddenly disappear without trace, *taking your hard earned pounds with them*.

I like to think that you and me ... that we're all part of a wonderful and extraordinary fraternity, a brotherhood of genuine like-minded guys who happen to share and enjoy a very special interest together.

And that's why I've kept things the way they are.

It's you, *and only guys like you*, that keep our specialist publications going from strength to strength. Without you and your continued support we just wouldn't be here.

Over the past few years we've not just stood still, but we've launched the 3I Club which has now grown to become the largest club of it's kind *anywhere in the world*, and we've added even more publications to accommodate your special requirements. And all this has happened because of *your* support.

Which is why what *we do* reflects what *you want*.

Til next time

Baz

You Write ...

Dear Sirs

Through your pages I have managed to establish myself as a regular houseboy to several excellent Masters. I've always made it absolutely clear when I first contact them that I am not yet ready to commit myself to just one Master, and at the moment need the diversity of different scenes. As you'll be only too aware, it has to be different strokes for different folks, and my own needs seem to change like the seasons! I need a variety of punishments to satisfy my desires, which means choosing the right Master at the right time. Sometimes I'm in a leather mood, and this generally involves the heavier kind of punishment with lots of bondage. At other times I need the domestic kind of scene, where there are lots of menial chores to be done under strict supervision wearing tight skimpy sports wear. There are even times when I seem to lose my feelings of submission completely, and need to put the boot on the other foot. I'm in my very early 20's, and quite slim and boyish looking. When I'm feeling in a dominant mood I get really excited by having a really big hunky guy obeying my every order, or a professional type of bloke crawling around the floor and licking my boots. My favourite 'servant' on the domestic scene is a middle aged director of a bank, and I really get off on humiliating him!

I like your publications very much, and they've certainly helped me to satisfy my chameleon like tendencies.

Best wishes

Paul

North London.

Thanks for the letter Paul.

I don't think you're alone with your mood swings, and I'm glad to hear that we're able to help you satisfy your de-

mands. I know some guys get a bit confused when their desires seem to change, but this is nothing to worry about. My own attitude is to go with it and try it - as long as it's safe!

Dear Editor

I'm having a bit of a problem - well, it's a dilemma really. My partner and I have been together for nearly 4 years. I'm in my late 30's and Craig in his early 40's and we've both been actively around on the scene for a few years. We switch scenes with each other, mostly playing Master and slave scenes, and use loads of bondage. Here's the dilemma. We both want to try fucking bare back (without a condom). We've both tested negative, but wonder whether it would be safe and what are the chances of catching the big A. I've asked a few guys down here for advice, but can't get a definite answer. Can you help?

Sincerely

Eric

Southampton.

Hi Eric and Craig.

Unfortunately we really can't give you the definitive answer you're looking for. Even amongst the experts there's no agreement regarding the incubation period, so my personal advice would be to stay safe, and always use a good strong condom with plenty of lube.

For more qualified advice and information contact the Terrence Higgins Trust.

Dear Baz

First off, thanks for a great mag. I'm a newcomer to the CP scene, and one of those lads who thought I was the only one. How wrong I was! Living up here I don't think I could 'come out' without a lot of problems, nevertheless using your contact ads I've met a couple of blokes who are not too far away, and have now

at last had my arse caned for the first time. I've also given my first caning. Both experiences were fantastic, and given me a taste for more experimentation. Your 31 Club sounds great, but I'm still a bit shy and not very good at meeting new people so I'll have to wait and see.

Again, thanks for everything

Nigel
Edinburgh.

Thanks for the letter Nigel, and as I've already said to Paul above, it's good to hear about your success using our ads. Regarding the 31 Club, let me put your mind at rest ... the club is just about the friendliest place on the scene, and making new friends is easy peasy. At the 31 Club nobody ever gets the cold shoulder - it's one of the rules! See the next letter... (well, it was an e.mail, actually)

Dear Baz and Mark

Just got back from my first meeting and just had to let you know what a great time I had. Like most guys I was a bit nervous at first, but in no time I was in the swing of things ('scuse the pun!). Everyone was so friendly, and I think I've already made a few new friends. Can't wait for the next meeting. Keep up the good work.

John
N. London.

Dear Houseboy

You said you'd like some ideas and feedback, so here's some to be getting on with. Can we have some more stories and/or photos about uniform guys. Or better still, how about an entire edition dedicated to them!? I myself am obsessed by all forms of uniform - scouts, school, army, navy, police, even traffic wardens - just writing about them like this is making me horny! I wear old fashioned rough regulation underwear all the time, even when I'm at work. And how about incarceration? That's

another one of my turn ons. Seeing guys locked in cages or prison cells is enough to give me a hard on! As a punishment I've spent a whole weekend locked away stark naked in a small attic room with nothing but a small bed and a bucket! The window had been boarded over so there was no natural light at all. My 'keeper' would turn the bulkhead light on and off from the outside of the room. The length of time the light was on or off would vary, and I soon became completely disorientated as to whether it was day or night.

The door had been fitted with a prison type spy hole, and a flap near the bottom. It was through this flap that my bowls of bread and water would be passed through from time to time. I would have to take these bowls to the far end of the room, place them on the floor, kneel on the floor with my hands clasped behind my back and empty them like a dog! I had to eat and drink everything then lick the bowls thoroughly clean. I'd be crawling around as they slid away from me, the knowledge that I might be being watched through the spy hole being one of the most humiliating feelings I've ever experienced. There were times when I literally hated being in that room, but that was part of the excitement, and despite coming very close on a few occasions I never once pressed the panic bell that would end my imprisonment - and my service as the 'keepers' houseboy. That period in the punishment room definitely made me a more obedient houseboy, and I'm sure a longer sentence would improve my service even more! I hope this is the kind of thing you want. Yours in complete and contented servitude

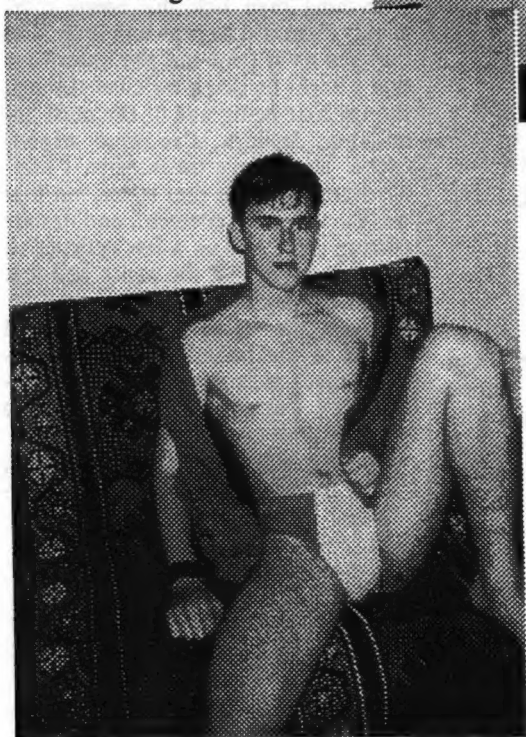

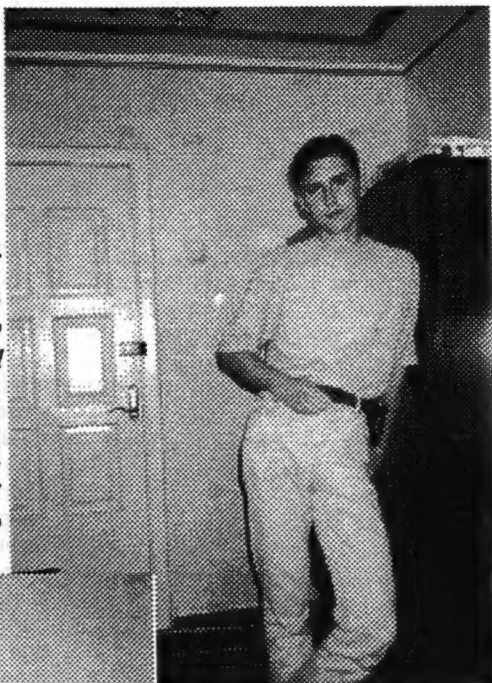

Tim (not so Tiny!)
Bournemouth.

Thanks for a most interesting letter. I've noted your comments and suggestions, and we'll see what we can do for you in the future, Tim.

READER'S

You asked for some readers pictures, so my colleague James and I are sending you a few snaps of our houseboys.

The first picture is of Simon. He's been my houseboy for just over seven months now, and he is still in the early stages of training. He's nineteen years old, 5'8" tall (*I haven't come to terms with that wretched metrication system yet!*) with dark brown hair and eyes. Although he loves to spend most of his time with me totally naked, he is not yet ready to share this delight with others!

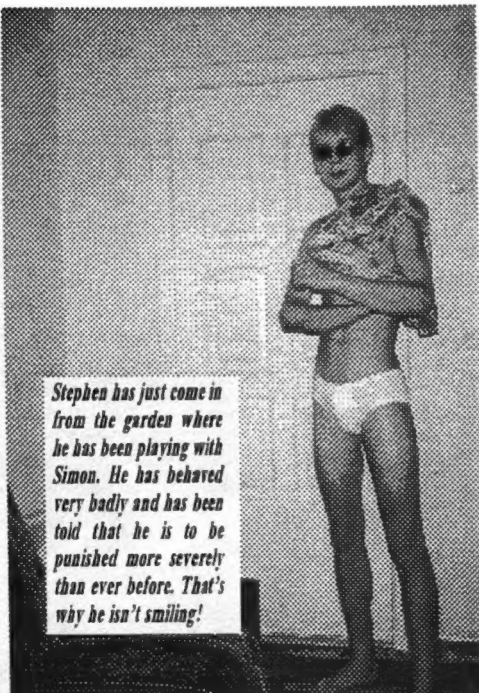

This is the most of his body that he is prepared to show at the moment, but he doesn't mind my telling you that he is not circumcised, and has a very thick dick that grows to almost nine inches when he's aroused. His balls are also quite big, and very soon I intend to begin his total body-shaving routine. He knows exactly what I want from him, and is more than willing to accept my extremely strict training regime to ensure that he can ultimately satisfy all of my demands.

PICTURES

This is a picture of Stephen. He is Jame's houseboy, and has been extremely well trained as an obebient houseboy He is just under six foot tall, twenty two, with naturally blonde hair and sparkling blue eyes.

Stephen is extremely highly sexed and very excitable, and needs an awful lot of controlling. Sometimes I get the feeling that he actually enjoys being caned or belted whilst Simon and I are watching! But despite this he performs his houseboy duties to perfection, and is only really happy when he is satisfying his Master James. I've had him in service with Simon when James takes a vacation, and they get on together like a house on fire! Charles. Brighton.

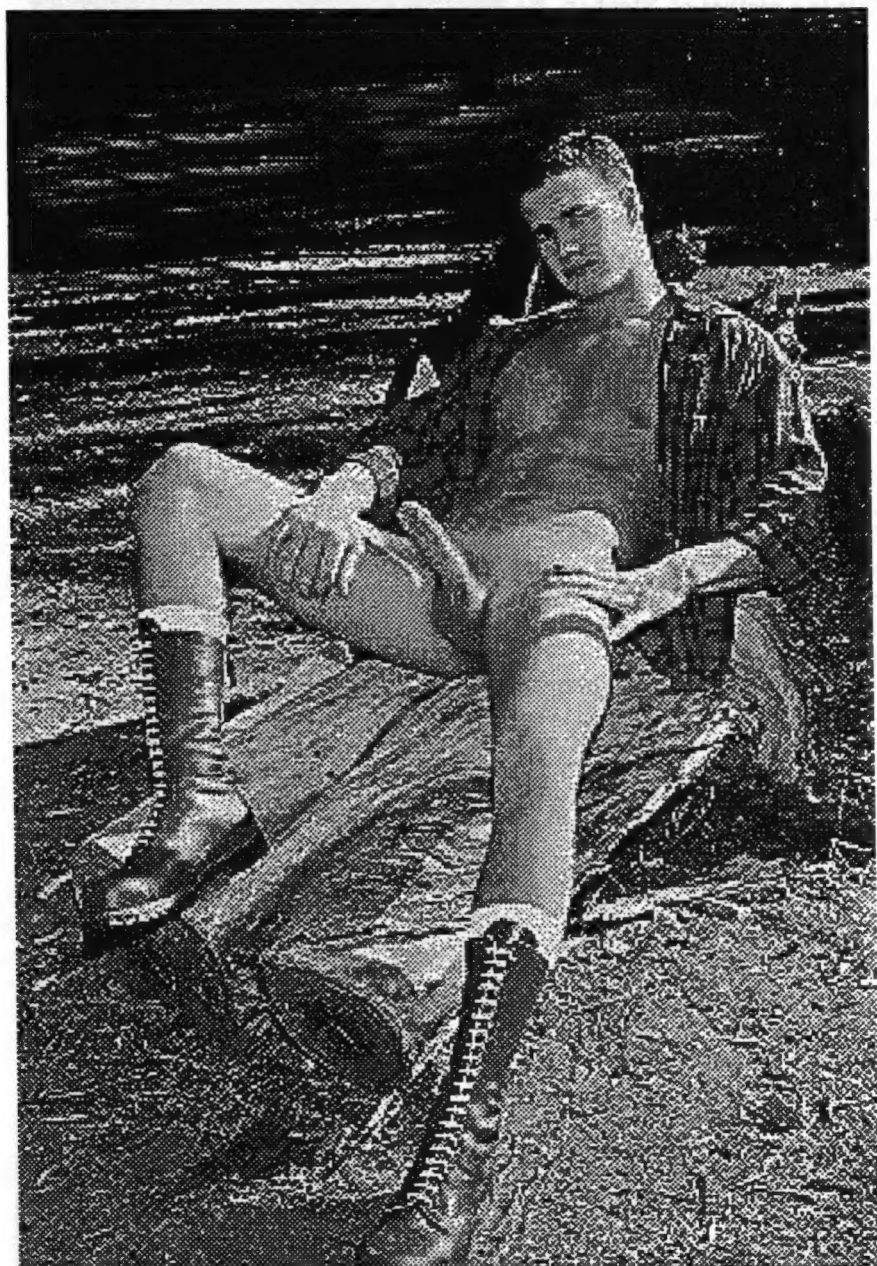

Stephen has just come in from the garden where he has been playing with Simon. He has behaved very badly and has been told that he is to be punished more severely than ever before. That's why he isn't smiling!

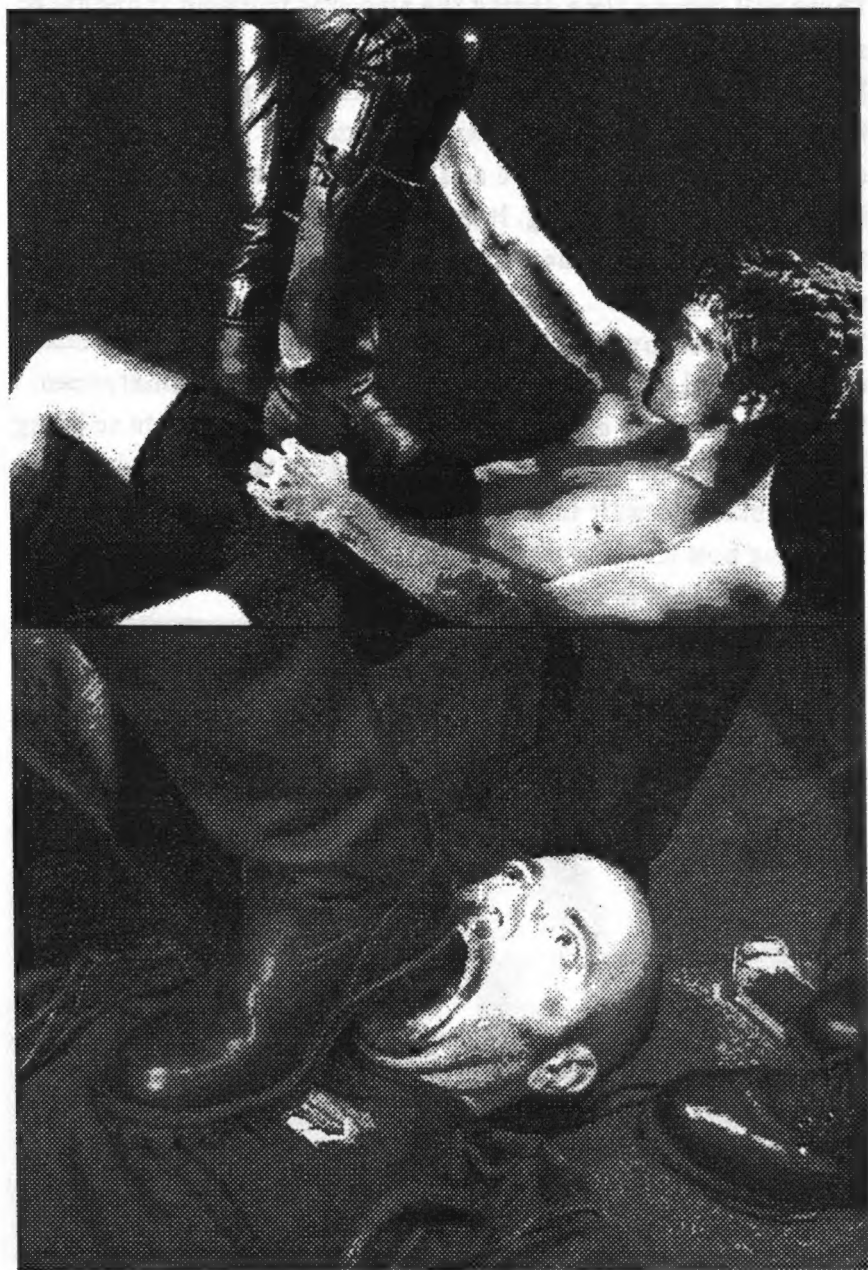

Just after this picture was taken, Stephen was taken to the punishment centre and was made to receive his very first naked flogging in front of his fellow houseboy's to bring him back into line.

THE EXCITEMENT ...

OF BOOT WORSHIP

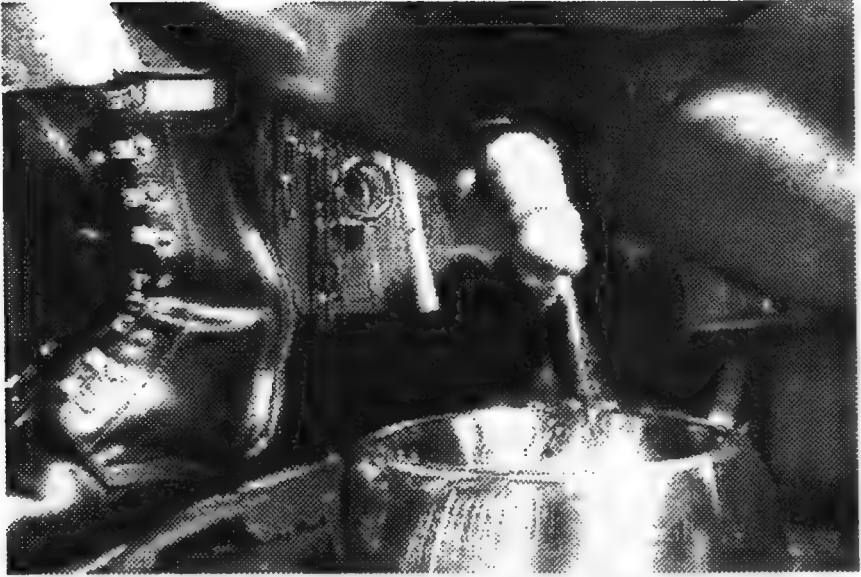

Making Mealtimes Matter

There will come a time during the rigorous training schedule of a rookie houseboy when it becomes necessary to remind him of his status, when even the severest of physical punishments just isn't enough. It is a well known phenomenon that young males can become to look forward and even get some sexual stimulation from a sound beating. It is when this begins to happen that the Master's tactics should switch to a more effective type of abject humiliation.

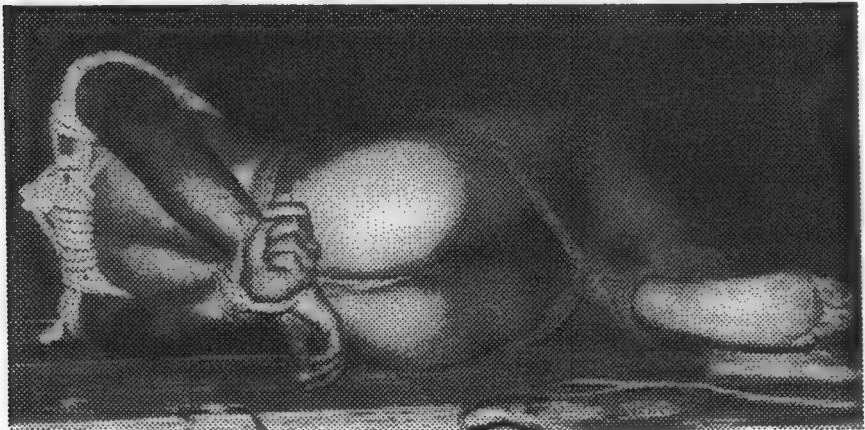

This is one of my own methods which has proved completely effective, and can be adapted to suit different circumstances. Whenever I have a dinner party I ask one of my guests to bring his houseboy with him to prepare and serve the meal whilst my own is made to wait in a corner where everyone can see him. Knowing how much he enjoys his houseboy service and showing off his body this is a part of the punishment.

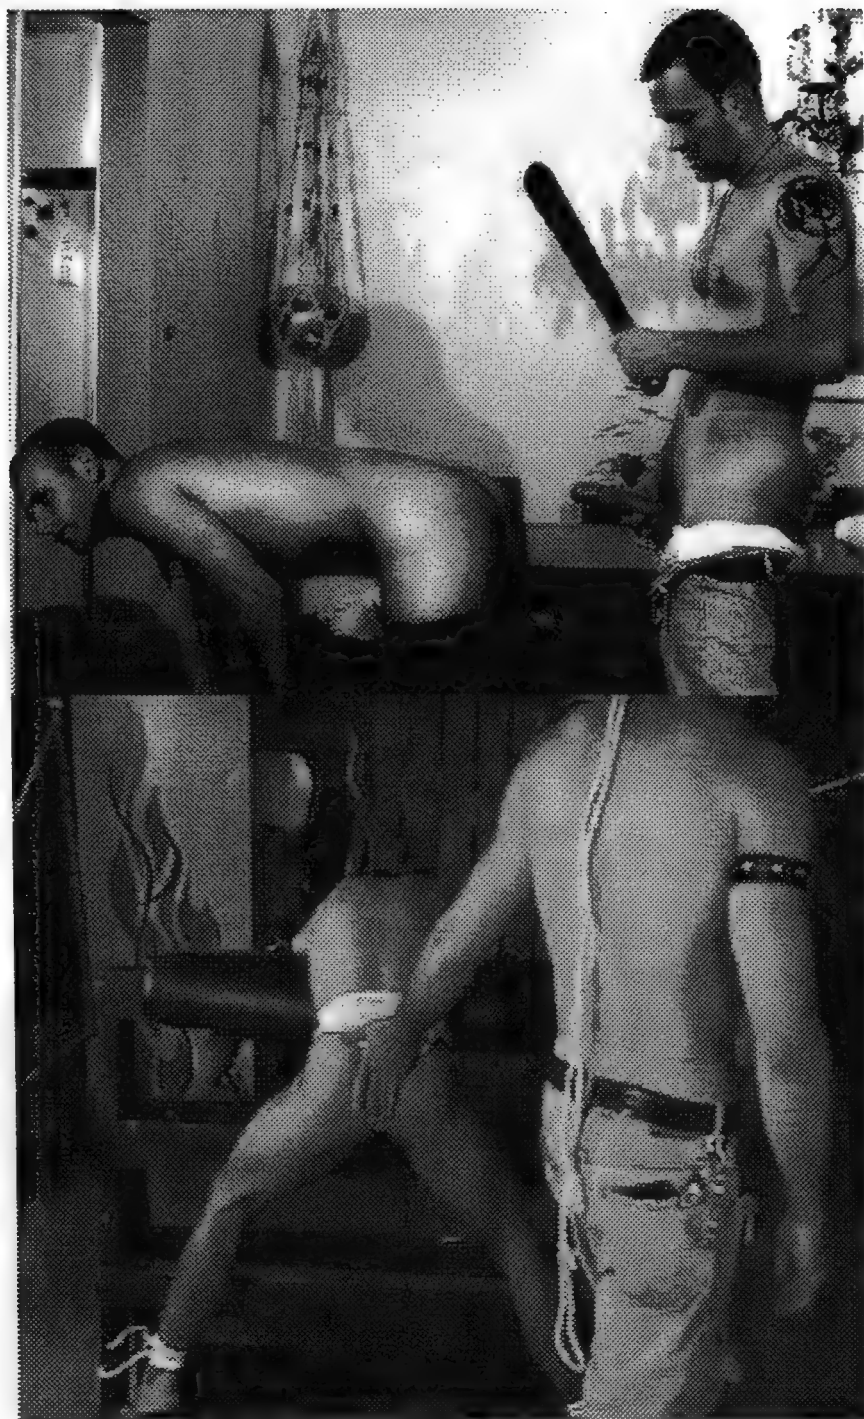

When the meal is finally over my own houseboy has to prepare his meal. This simply involves passing the remaining scraps through a food processor and putting the mush into a dogs bowl. He is then made to urinate on to the contents of the bowl. This is quite safe, although judging from the anguished expression on his face as he kneels on the floor and does his best to lap at the contents the taste is pretty awful! He has been well trained in keeping his arse high in the air ready for the occasional stroke from the belt or cane whenever he dares to slow down his eating.

As well as reminding him of his status, this also acts as a deterrent for the other houseboys and provides entertainment for the Masters.

Uncle Peter ... again!

*The 'UNCLE PETER' series of stories has been far and away our most popular ever!
Here's another exciting installment, with more to follow in future issues of HOUSEBOY.*

"So you want to come and live with me, Clive?"

I tried not to seem too enthusiastic. I'd had a secret crush on my uncle Peter for a couple of years now.

We were sitting in his living room with some other members of my family, having just come from the funeral of my father.

My mother had passed away six years ago, when I was entering my teens. Uncle Peter had taken over the task of bringing me up when my father became ill.

"Yes ... yes if that's OK with you, uncle."

His handsome face developed a broad smile.

"Of course it's OK. Well get your things later."

I was of course old enough to look after myself, and my father's large house had become mine. I had no brothers or sisters, and my inheritance would be considerable.

The other members of my family made a few questioning comments about why I didn't want to live in my own house, but I made some excuses that seemed to satisfy them. Quite honestly I didn't think it was any of their business, but I'd been brought up to be polite, and besides I probably wouldn't see any of them again until there was another family funeral.

When at last they'd all left, uncle Peter suggested we go straight away to my house and collect some of my things.

By early evening we were sitting in Uncle Peter's dining room eating dinner. He had a middle aged lady who came in frequently to clean the house, cook the meals and look after uncle Peter's laundry.

I'd always enjoyed being with him, right from the time I was a young lad. He was always fun, always laughing and joking.

Yet to look at him you'd never think there was this lighter side of his personality. He dressed in a very somber, conservative manner. I can never remember seeing him without a tie. And this was what I particularly liked about him.

After dinner we went to the lounge and settled down in the large old fashioned leather chairs. I was a bit surprised when he offered me a brandy. I thought that he might still consider me a juvenile, despite the fact that I'd come of age over three months ago. I accepted, and sipped at the vintage liquor.

I still hadn't started drinking very much, and the brandy quickly started to fill me with a warm glow.

"D'you mind if we don't talk about dad or the funeral uncle Peter?" I said as I relaxed back into the armchair.

"No. No of course not."

"Tell me about your time at Garrington Hall."

Uncle Peter had been educated at this very exclusive public school, and had often told tales about his time there. His eyes would sparkle as he would go into some detail about the fag duties and the floggings, and these were the parts of his narrative that always seemed to excite me.

That same sparkle appeared in his eyes as he began to tell me again about his times as a prefect and then as head boy.

This time my excitement was different. It was now also a physical reaction. My mind formed vivid pictures of the various scenarios, images of bare backsides being caned, trying desperately hard to imagine what it felt like.

As much as I tried, I couldn't prevent my dick from growing stiff. I crossed my legs in an effort to cover my acute embarrassment. I knew I was blushing, but I hoped that uncle Peter would put that down to the brandy.

I guess he must have somehow understood my keen interest, because this time he embellished the stories, giving a more graphic account than ever before.

He even hinted at the covert sexual aspects of his life at Garrington Hall, and this got me even more turned on!

My dick was now painfully stiff, the suffering made even worse with my legs crossed over it.

"Well that's enough of that!" he laughed, then asked

"How about another brandy?"

He didn't wait for a reply, leaning forward and taking the empty glass from my hand.

He could have no idea how much I needed a drink right now!

Again I sipped at the drink, trying to rid my mind of uncle Peter's stories.

We remained silent for a while, and I felt my raging hard on beginning to abate.

When I felt it was safe to do so I uncrossed my legs and got out of the armchair.

"OK if I take a shower before bed uncle?"

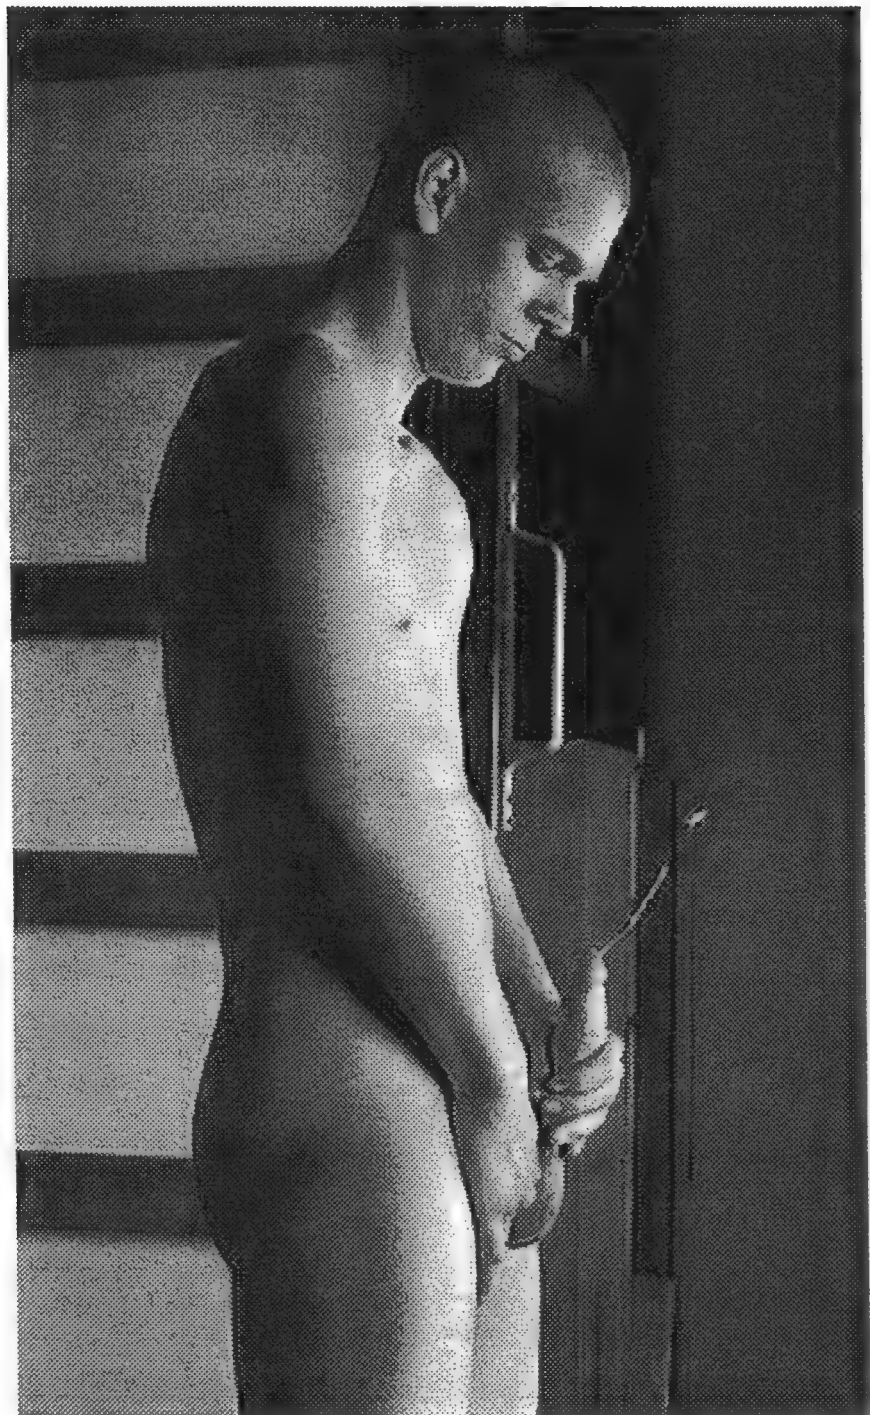

"Of course it is Clive. There's fresh towels in the cupboard."

I felt guilty as I hurried to the bathroom. I didn't want to shower. I wanted to wank myself senseless!

I was furiously ripping my clothes off as soon as I was through the door. With one hand I promptly grabbed at my dick, squeezing my balls with the other. Then I decided not to rush. I needed to get those exciting images of backsides being caned clearly in my mind.

In the past my wanking had been nothing more than a physical relief.

This, on the other hand, was exhilarating. I was completely

intoxicated - not by the brandy, but by this incredible new arousal. My mind drifted off to another plane as I pulled at my quivering cock shaft.

I looked at myself in the full length mirror fixed to the door.

I'd never thought of myself as vain in any way, but at this moment I felt incredibly proud at what I saw reflected.

My body was smooth and soft without an ounce of fat. My regular visits to the pool had guaranteed my swimmers physique.

I turned sideways and delighted in the way my backside stuck out, the pert orbs covered with firm flesh.

Turning back to face the mirror I closed my eyes tight shut and my excitement grew uncontrollably as I tried to imagine what the cane would feel like!

I began to work harder at my cock, squeezing hard, pulling the foreskin right over the helmet. I deliberately tried to make it painful.

I heard myself moaning, but the sound seemed to come from somewhere far away. As I squeezed at my balls the moaning became more intense.

By now I was losing all control. The incredible sensations raging through my body driving me wild, and I pumped furiously at my throbbing cock, squeezing my balls until I could stand the pain no more. Then my dick exploded, torrents of hot cum shooting from the shuddering slit.

I couldn't manage to prevent myself from screaming out.

"Oh yeah! Yeah! Yeah!"

My heart was pounding and I was gasping for breath as I at last opened my eyes.

I felt myself blushing a deep red as I saw uncle Peter standing in the doorway!

For what seemed an eternity - but in fact could only have been a few seconds - we just stood looking at each other.

Uncle Peter broke the silence. Looking down at the large pool of cum on the floor he said

"You're going to have to clean that up before you do anything else, Clive."

"I ... I ... I'm really sorry, uncle." I stammered, wishing that the floor would open and swallow me up.

"It's a damned good job that we're not in Garrington Hall, young man. Then I'd have made you clean the whole damned bathroom, and you'd have had to do it the hard way, followed by a sound thrashing!"

The tone of his voice lacked the levity he used when telling his stories. There was something intriguing about the way uncle Peter had said 'young man' instead of using my name. He'd never done that before.

Was he trying to make some unspoken feeling show. Could he

possibly know what I'd been thinking about as I'd wanked myself off to the most wonderful orgasm I'd ever had in my life?

He'd certainly been well aware of my more than usual interest in his stories earlier on. And why had he gone into so much extra detail?

Then the bombshell hit me!

He wanted to re-live Garrington Hall!

And somehow he'd realised that I might possibly want exactly the same thing!

I was inexplicably getting aroused again.

At that moment I knew what I needed more than anything else in the world and decided to take my chances.

I bowed my head to the floor and put my hands submissively behind my back. To add to my self imposed servility I spread my legs wide apart, letting uncle Peter have a good look at my rapidly growing cock, wanting him to know that I understood.

"I think I deserve to be punished ... Sir!"

It was the first time in my life that I'd ever used the word Sir and meant it. I wanted to feel subservient.

Uncle Peter's voice took on a new tone. It was a tone of natural authority, and it excited me.

"Take your shower then report to me in the kitchen. And no more playing with this!"

He gently slapped my hard dick a few times, then turned away and went downstairs.

I lingered in the shower, my mind filled with all sorts of wild ideas about what was going to happen next. Uncle Peter had already intimated that he was going to thrash me, and just the thought of that made my stiff cock twitch in eager anticipation.

My cock was still stiff as I went down to the kitchen and reported to uncle Peter. He hadn't said anything about getting dressed, so I decided to remain completely naked.

Uncle Peter was sitting at the table, writing in a small notebook. He looked up at me.

"I'm going to keep a careful note of your punishments whilst you're here, Clive. This is to be a constant reminder for you, an aid memoir of your offences and of the consequences. And this ..."

He drew a small black leather-bound book from his pocket

"... this is for you to study. It details what I expect from you, and what you can expect from me. Once you've studied it we can take things further. Now take it to your room and read it from cover to cover."

He proffered me the slim volume. I took it from him, and went sullenly upstairs to my bedroom, disappointed that he hadn't dealt with me there and then.

As I began to read my heart pounded with a strange new excitement. There was almost nothing left to the imagination

regarding the expected relationship. By the time I'd read the final page I felt as if I'd been privy to a forgotten world that I could never have imagined in my wildest dreams.

It was world that seemed so appropriate for me, and I was grateful that all of this would remain unspoken between us.

I returned to the kitchen only after reading again the first part of the little book. I was to be given time to adjust gradually to my new lifestyle, taking it one step at a time.

Somehow, when confronting uncle Peter in the bathroom I'd instinctively adopted almost the exact stance that was to be expected of me. The little book had called this the 'standing' position. I stood completely naked in front of him, hands behind my back, legs apart and my head bowed to the floor. My erection had abandoned me despite the ecstasy I was feeling.

I knew that uncle Peter was looking at my body intently, and I genuinely hoped he was enjoying the sight - enjoying it enough to give me what I desperately needed. Of course it would only be when he was ready, and I hoped that wouldn't be too long!

"I want the bathroom floor cleaned, Clive. I want it cleaned thoroughly. Now go and find what you need!"

Just as the first chapter of little black book had briefed me, I acknowledged the order.

"Sir! Yes Sir! Thank you SIR!"

I scabbled around through the drawers and cupboards until I'd found the necessary items as listed.

At last I returned to uncle Peter and placed them on the table in front of him, then I assumed the standing position.

He made a point of picking up the items one by one then placing them back on the table.

First the toothbrush. This was what I'd be using to scrub the floor. Then the bar of strong smelling soap, and finally the wash cloth. These few items were all I'd have to use for my very first punishment chore.

"Right lad, go to it. And I want it done thoroughly, remember."

"Sir, yes SIR!"

The first part of the floor I cleaned was the area where I'd shot my cum. By now it had begun to dry hard, and I decided to try and prove to myself that I was indeed a true submissive. I tentatively put my head down to the floor and began cautiously to lick at my own dried up cum.

I worked with a renewed vigour as my cock began to grow harder, for some unknown reason pushing my arse high into the air as I crawled around on all fours, licking like a demented animal.

I made absolutely sure that every last vestige of my wank was removed.

Then, as I knelt on the bathroom floor, scrubbing it with the toothbrush, I began to have slight misgivings about what I was

getting into. But I knew that I'd have to endure this enforced drudgery if I wanted uncle Peter to fully accept me according to the rules of the little black book.

I wasn't even allowed a bowl of water, so I had to run backwards and forwards to the sink to lather the toothbrush. But I realised this was just a part of the stringent induction, explicitly calculated to reinforce the fact that I had to perform any duty no matter how odious, time consuming or frustrating.

I knew that this was a test, and I was determined to pass it with flying colours.

When I'd at last finished, I went around the floor and scrutinised my work. I found a couple of minor blemishes and worked furiously to eliminate them. I wanted my task to be perfect for uncle Peter.

When I thought that my cleaning had been completed to my total satisfaction I squatted on the floor, feeling more tired yet more satisfied than I could ever remember.

How long I'd had to toil and debase myself to clean the floor to this level of absolute spotlessness I had no idea.

All I knew was that I'd endured this dreadful drudgery because uncle Peter had told me to. It could even be that I'd done more than was absolutely necessary, but I knew that for the first time in my life I'd worked to the very best of my ability.

The bathroom door opened and uncle Peter came in. I jumped to my feet and assumed the standing position. I was pleasantly surprised and very relieved when I heard him say

"Very good, Clive. You've done a good job. Now you will take another shower then come to my bedroom."

His voice had reverted to the kind and friendly uncle Peter.

My heart sank!

Throughout the humiliating arduous toil cleaning his bathroom floor I'd prepared myself for the thrashing he'd promised me. It was this promise that had driven me on.

I desperately wanted pain to be my reward.

After taking a thorough shower I walked along the corridor and knocked on the door of his bedroom. I was frankly deeply dejected, disillusioned that it was only the near perfection of my young body that seemed to be my only attraction.

I'd fancied uncle Peter for some time, and was ready to give him anything in any way that he wanted. If he wanted to fuck me, that was fine. I'd readily roll over and spread my legs wide for him.

If he wanted me to fuck him I was more than ready.

Sucking off either way or together was no problem.

All of these possibilities went through my mind as I waited outside his door.

And although each of these possibilities had some appeal, now

that I'd been through my first experience of submission to uncle Peter I needed something more.

Again the tone of his voice was ordinary.

"Come in, Clive."

I turned the handle of his door and entered his bedroom. Uncle Peter was laying in his large four poster bed, the old fashioned thick eiderdown pulled up just below his nipples. He looked at me and smiled.

Then he said

"You've got a really good body Clive."

I replied according to the instructions given in the book, but without any real enthusiasm.

"Sir, thank you sir."

Uncle Peter smiled and slowly pulled the eiderdown down over his chest. I was amazed at how good his body was. A thin covering of fine blonde hair covered his finely chiselled chest, the large dark red nipples pert and contrasting against his lightly bronzed skin. He continued to pull the eiderdown until his navel and then the beginning of his thick bush of golden pubic hair was visible. Then he let go the eiderdown.

My eyes focused on the area and my mouth went dry in anticipation. I desperately needed to see his cock, and he knew it! He'd obviously had long experience of tantalising young lads like me. My own cock grew painfully hard, and I could already feel it beginning to throb. My heart began to pound against my chest and my breathing became distressingly laboured. Beads of sweat formed on my forehead and began to run into my eyes. I'd never wanted anything so much in my life. I began to tremble slightly, my self control becoming a monumental effort. After what seemed an eternity he spoke.

"Have you ever sucked a man's cock, Clive?"

"Sir, No Sir!" My voice had all but deserted me.

"Do you want to learn how to?"

Did I!? It was all I could do to stop myself from ripping the eiderdown away and take hold of that dick! In a cracked voice I said

"Sir! Yes ... Yes Please, ... SIR!"

He put his arms behind his head.

"Take eiderdown off me."

"Sir, YES SIR!" I leapt forward and gingerly pulled the covering away, at last getting to see his cock. It was the most incredible sight! I'd expected him to be hard, but what I saw was this long thick shaft with dark blue veins protruding along the entire length resting between his legs. The dark pink helmet was huge, and there was a tiny drop of pre cum glistening at the slit. His massive balls were in perfect proportion. I wasn't prepared for anything so huge - even though he wasn't erect his dick was

almost as big as mine was with a hard on! His smile broadened slightly and his eyes had a glistened. He was obviously proud of what he had between his legs.

Still staring excitedly at his beautiful manhood I let the eiderdown fall to the floor.

Something about uncle Peter's expression told me I wasn't going to have the pleasure of his cock just yet.

The smile suddenly disappeared, and without saying a word he got off the bed and went across to the wardrobe. He opened the doors wide, and I was amazed at the array of clothes and implements hanging inside. But what really caught my attention was the array of canes, whips, tawses and a whole load of other punishment implements that hung from dozens of hooks behind the door. He carefully selected one of the crooked handled canes, then swished it through the air. The sound made my stomach sink - I knew that it wasn't going to be too long now before I was to feel that cane landing on my naked backside. Again I started to have doubts about what I was getting myself into.

"Yes, I think this will do nicely!"

Uncle Peter seemed to be talking to himself rather than me. He closed the doors and turned to face me, still brandishing the cane.

"On to the bed, lad!"

For the first time in my life I felt genuinely frightened. I was terrified of what was to come, yet something deep inside made me obey. I suddenly recalled memories from long ago, when I'd wank myself silly whilst fantasising about uncle Peter's stories regarding his time at Garrington Hall. I scrambled onto the bed.

"On your belly and spread!"

I obeyed, but forgot to acknowledge the order.

"You've read the rules, lad! You know you have to acknowledge my orders! What d'you have to say, lad?"

"Sir ... I'm sorry Sir! I'm really sorry Sir!"

"You'll be sorry alright lad. I'm going to give you a couple of extra strokes for your laxity. Now get that arse into the air!"

I squirmed about until my backside was as high as I could get it, then gripped tightly on to the edge of the bed. My mind was in a turmoil. A part of my brain was urging me to get up and run away, the avoid the inevitable agony that was to follow. But a more powerful urge was keeping me in this humiliating position. It was a more powerful craving, a rapacious feeling, like nothing else I'd ever known.

"You know what you're being punished for, don't you lad?"

"Sir, yes sir" I whispered, being so scared my voice was almost inaudible.

"Tell me lad!"

So incredible was my determination to satisfy my fantastic new

urges, my voice seemed to come back and I almost shouted out my response in a hard monotone as if I were an army cadet
"Sir, I wanked myself off and shot my cum over the bathroom floor, SIR! SIR, I abused myself without permission SIR! SIR, I need to be punished severely, SIR!"

I was amazed at just how easily and instinctively the words formed themselves, almost without my even thinking about them. My emphasis on the word SIR was completely genuine. I wanted uncle Peter to think of me and treat me as a total subservient. My self deprecating response was virtually automatic. This in itself added to my bewilderment, as it seemed to finally confirm my long felt need for absolute submission and control.

I buried my face into the pillow. Then I heard uncle Peter speaking again.

"You'll count every stroke and thank me for them, lad!"

I lifted my head away from the pillow and barked out simply
"SIR!"

As soon as my face was back against the pillow I heard the cane being swished in the air, then felt an indescribably agonizing sensation in my arse as it landed hard against the flesh. The incredible sharp pain forced me to lift my head up, and I immediately screamed out

"Oooooooooow! One Sir! Thank you SIR!"

My whole body squirmed, and I pushed my belly into the mattress, squirming about, forcing myself to keep my grip on the edge of the bed. It took every bit of my willpower to remain in position as I felt the cane gently tapping my smarting backside and heard uncle Peter saying

"Get that arse back into the air, Lad!"

I obeyed instantly, the sharp stinging sensation seeming to change into a deep throbbing pain that began engulf my entire lower region. The pain was unbelievable, yet there was something amazingly sensual about this incredible new feeling, and my cock became rigid.

Again the fearsome swishing sound, and again the sharp burning pain as the cane cut into my naked flesh. This time I managed to keep my backside up in the air, yet my body gyrated frantically as again the pain coursed through the flesh.

"Aaaaaagh!" Sir! Two Str. Thank You SIR!" I screamed as my buttocks began to spasm, then clench tightly together. My mind was in turmoil as I waited for the next stroke. Again a part of me was screaming at me to get away from this wretched torment, to jump up from the bed and return to my ordinary, comfortable life. But the urge that forced me to stay was much stronger and much more powerful.

I didn't even hear the cane as the third stroke was applied. The

new stinging pain added to the throbbing dull aching pain, and I squealed.

"Owwwwwww! Oh, please Sir, three Sir ..." I gasped for breath ... the pain so intense that I began to wonder if I could take the remaining punishment. Only half way through, and close to breaking point.

"... thank you SIR!"

I knew that if I gave up now I'd never get the privilege of knowing uncle Peter's wonderful cock. And I wanted that!

Suddenly uncle Peter's hand was gently rubbing the flesh of my backside. I winced from time to time as he ran his fingers along the distinct ridges of raised skin where dark red weals were starting to form.

But mostly I moaned, the sheer sensuality of these new feelings beginning to overcome me as the intense pain started to transmute into an unknown sensation of pleasure. Despite my earlier misgivings I actually wanted to feel the next stroke of that cane!

And I didn't have long to wait. Almost as soon as uncle Peter had stopped stroking my backside there was the familiar agonising sharp pain cutting into the flesh. Although the pain now had a different meaning, I still cried out

"Owwwwwww! Oh, please, please Sir, four Sir!" then I added as I felt the tears start to well up

"Please Sir, I don't think I can take any more, Sir. Please Sir!"

Uncle Peter's response was unemotional.

"You know the rules lad. You know you have to take the full punishment. You know that, don't you lad!"

It wasn't a question. It was a statement of fact. Now I was actually sobbing. I blubbered out

"Sir, I know that Sir. I'm sorry Sir!"

By now I was finding it difficult to remain in position. My hard cock was pressing hard against the mattress, my groin writhing.

Quietly uncle Peter said

"I know it hurts lad; that's the point of being punished. Now get that arse back in the air!"

Still clinging on the edge of the bed, my hands wet with sweat, I started to force my backside up again. But it was met unexpectedly on the way by a really viscous stroke on the cane and I screamed uncontrollably.

"Aaaaaaaaaaaaaagh! Oh No Sir! Five Sir. That was five, Sir! Please no more SIR!" But my hands resolutely gripped even harder and I managed to keep my arse in the air. It took a superhuman effort, but I'd come this far and I wasn't going to give in now! I knew I needed this punishment, and knew that uncle Peter would ignore my pathetic pleading. How long he kept me waiting for the next stroke I have no idea, but it seemed like an eternity.

My whole body was now wracked with pain. My limbs ached terribly from the effort of keeping my body in position. Sharp sparks of searing hot pain coursed deep into my arse cheeks to combine with the deep throbbing aches which seemed to go down interminably within the flesh of my backside. I was crying into the pillow making pitiful blubbering noises as my body writhed from side to side. My nearly demented mind was in abject turmoil as I tried to make sense of everything that was happening.

I think it was at this very moment that I made the final transition. In the eerie silence that ensued I somehow forced my body to become completely still. I stopped crying. Defiantly, I pushed my backside as far into the air as I could physically manage. I couldn't stop myself from wincing as this movement stretched the skin of my backside, accentuating the acute pain. Inexplicably, I heard myself saying

"Sir ... please ... Sir ... please let me have number six, Sir!"

The silence in the room remained. After another interminable time I heard my voice again.

"Please Sir ... please Sir ... Pleeeeeeease! Aghhhhhhhhhhhhhhh!"

The unbelievable pain shot right through me! I collapsed on the bed, letting go my grip, frenziedly writhing around on the bed like a demented animal. All the while I kept screaming out "Six Sir ... thank you Sir. Six Sir, thank you Sir!" over and over. I tried to cup my buttocks in my hands, but the pain was too much. I started to cry again, unashamedly letting the tears run freely down my face. Through the mist in my eyes I saw uncle Peter standing a short space away from the bed. He his body looked even more attractive and desirable than it had seemed before my beating. I had a new feeling for him now. A feeling of complete respect.

And his cock had grown unbelievably huge and was now standing as hard as a rock! He was smiling broadly at me, and I managed to smile back. But when he spoke the words make my stomach churn.

"I think you're going to find the extra punishment a bit more difficult to take, lad!"

It was then that I noticed he no longer had a cane in his hand. It had been replaced by what I now know to be a three pronged leather tawse. My smile evaporated as fast as it had appeared, and I stammered

"S,S, SIR. I thought ... I thought that was for later, SIR. Please SIR!"

"You know the rules, lad. You know you have to take the full punishment, lad."

Yes, I knew. But I knew that I didn't have the resolve to take any more. I knew that I wouldn't be able to keep myself in position for another beating. Unless ...

My thoughts went to the little book and one part in particular. My heart pounded at the thought. Again I fought for every morsel of self control that was left in me. I looked at uncle Peter, and said with as much confidence as I could muster

"Please Sir. I'll need ..." the words started to dry up. I swallowed and licked my parched lips, then went on

"... I'll need to be strapped down, Sir!"

Again the apprehension returned. Despite having read about this in the little book I hadn't envisaged myself being in this position so soon.

Uncle Peter looked into my face, and his voice was genuinely concerned yet distinctly eager as he said

"Are you sure, lad. Are you really sure?"

There was no going back for me now. The voices that had been urging me to turn and run had by now completely deserted me. I'd made a decision and I was going to go through this. I was going to prove myself to uncle Peter no matter how much I had to suffer to do it. I replied nervously

"Sir I'm sure, Sir."

Without another word, uncle Peter went to the bed and piled the pillows in the centre of the mattress.

"Get back on the bed and put your middle over these. Then spread your arms and legs wide."

I did as I was told, then I felt leather restraints being fastened to my wrists, then my ankles. I watched as the short lengths of steel chain were attached to the four corners of the bed, keeping me helplessly in position. Instinctively I frantically stretched my limbs against the bondage. It was another frightening yet exhilarating experience, knowing that I was now completely exposed and vulnerable, under the total control of another man. Not just another man. Under the absolute control of uncle Peter. Then I heard his voice. There was no tone of aggression, more the tone of a kind Master who was doing this for my own good.

"I'm going to give you just two strokes of this tawse, lad." He gently tapped the instrument on my inflamed arse cheeks. My buttocks clenched tightly together. Tears were streaming down my face as I cried uncontrollably.

"It's going to hurt, and it's going to hurt a lot. It's going to be an ordeal that you'll remember for the rest of your life."

My heart pounded even harder and faster and my cock stiffened. *"Don't scream - don't make a sound."*

The sound of the first stroke reverberated around the room, and I had to bite hard on the pillow to prevent myself from screaming out. The pain was sickening, the broad area of the thick leather tawse sending a wave of absolute agony deep down into my already burning arse cheeks. I realised why schoolboys had been so terrified in the past. I also realised why the often went back for

more. I was more aware than ever that I passed into a new world, a world where this would be the norm. I knew that from now on there would always be a part of me that would genuinely dread this kind of punishment. But I also knew that this totally genuine fear would be far outweighed by my craving for it.

Which was why, when the final stroke landed and I once again bit hard into the pillow, I actually felt a deep sense of gratitude to uncle Peter. Despite the incredible pain, I felt a fantastic sense of satisfaction, a satisfaction that I'd never dreamed possible.

I now wanted - needed - to show uncle Peter just how grateful I was. When he began to remove the leather restraints I remained almost motionless, my heaving chest as I continued to cry into the tear stained pillow being the only movement of my pain wracked naked body.

When the last restraint had been removed, uncle Peter sat on the side of the bed, once again gently rubbing his hands gently over my inflamed arse.

Then he stroked my head, a tender gesture I hadn't expected.

I was no longer confused. Everything was now so clear that it was as if a veil had been lifted.

Uncle Peter took hold of my wrist and guided it to his cock. I took hold of the wonderfully warm flesh, slowly running my hand up and down the enormous shaft, deftly using my trembling fingers to trace the thick blue veins that traversed it's length, employing my thumb and forefinger to explore the stickiness of the huge head.

Without being told, I rolled my body off of the stack of pillows so that I was laying on my side, resting on one elbow. I kept hold of his cock as if it was a prize that I'd won after an arduous ordeal. For this to me was exactly what it was. Staring at his cock I asked simply

"Sir, may I Sir?"

Uncle Peter merely smiled, and indicated with a flip of his hand that I should get off the bed and stand up. He threw the pillows onto the floor then lay on the bed with his legs wide apart, and put his hands behind his head.

I took this to be his permission and scrambled back onto the bed, kneeling subserviently between his outstretched legs. As much as I wanted to get that huge stiff cock into my mouth and satisfy myself right away, I was now entering into an entirely different world. This was now a state where I needed to sublimate all of my personal desires. Placing my hands behind my head I looked earnestly into his eyes and said meekly

"Sir, you said you'd teach me how, Sir."

Uncle Peter looked at me intently, then his smile broadened. His expression told me that I'd passed the first hurdle, and that I'd proven myself.

So far, that is!

HAVING MY COCK AND BALLS EXAMINED IS JUST ONE OF THE HUMILIATIONS I ENJOY WITH BIG DADDY !

Big Masters have always been a big turn on for me. Even before I was lucky enough to become a fully fledged obedient houseboy I used to cruise the bars for heavily built guys. Being young, slim and pretty, some of the guys were quite surprised when I offered myself to them - and even more surprised when they found out just how subservient I can be!

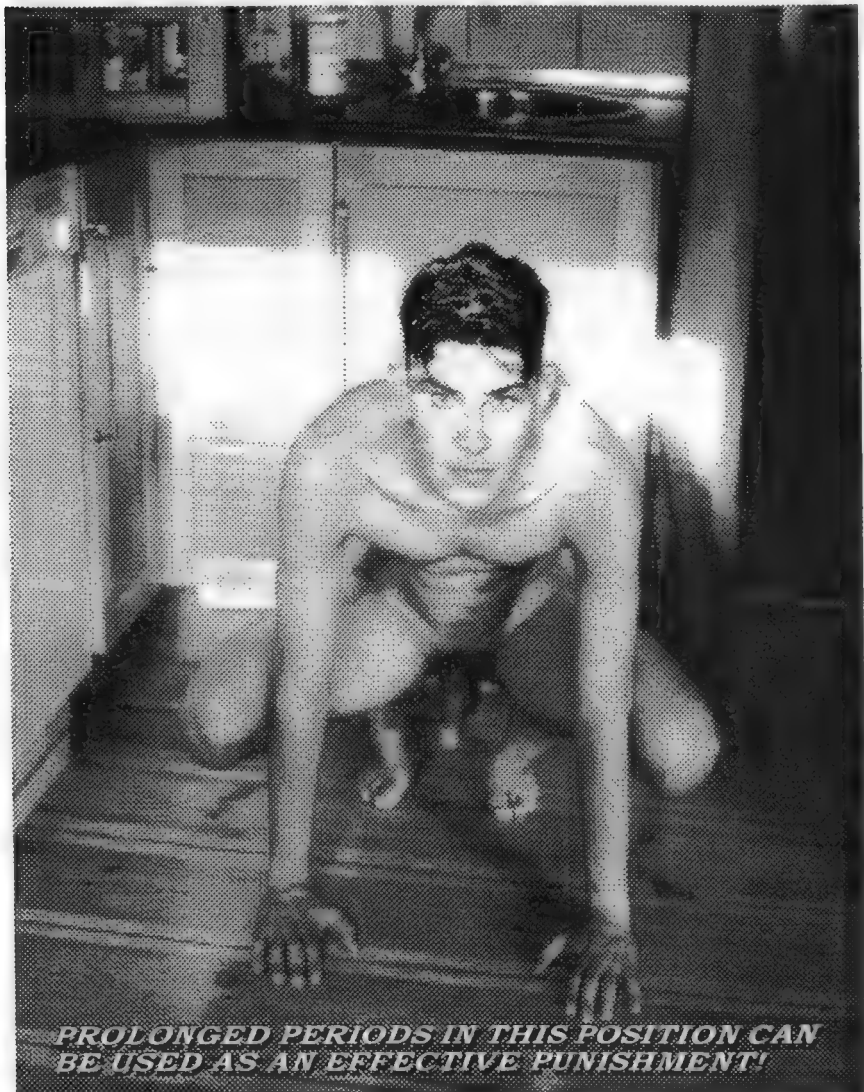

I need complete control in my life, though I don't need much encouragement to keep myself healthy and fit, and scrupulously clean and hygienic.

I'm really proud of my young attributes - my looks and my body - and I hope my Master enjoys them as much as I enjoy offering them to him. Despite trying my very best to please him and satisfy his every desire I know that I don't always come up to scratch, and I'm grateful that he takes the time and trouble to punish me on these occasions.

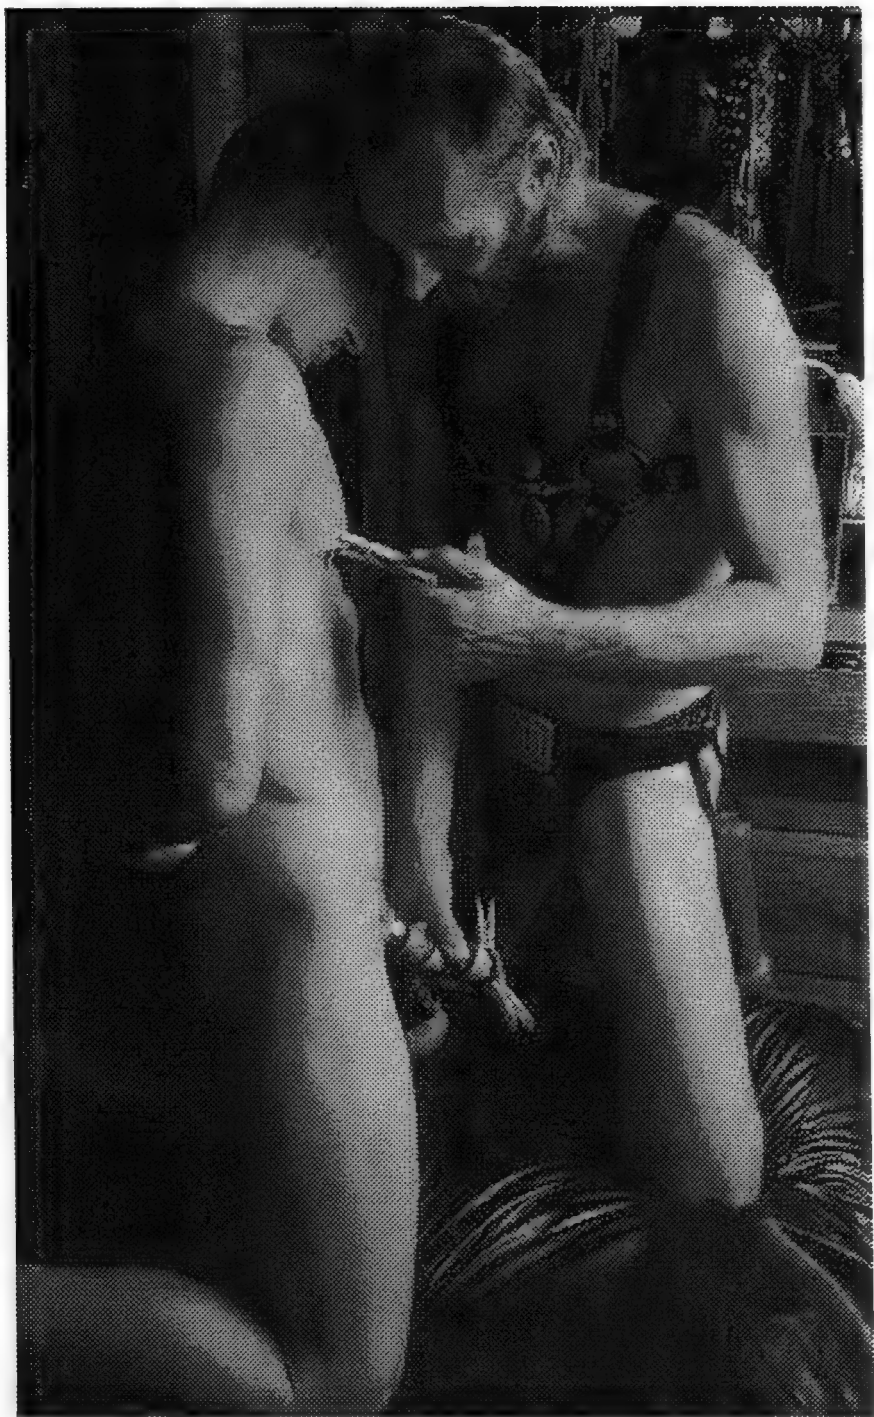

My body is his to use as he wishes, and although I sometimes need to feel his belt thrashing my arse before I can carry out some of his more deviant desires, in the end he always makes me capitulate gratefully.

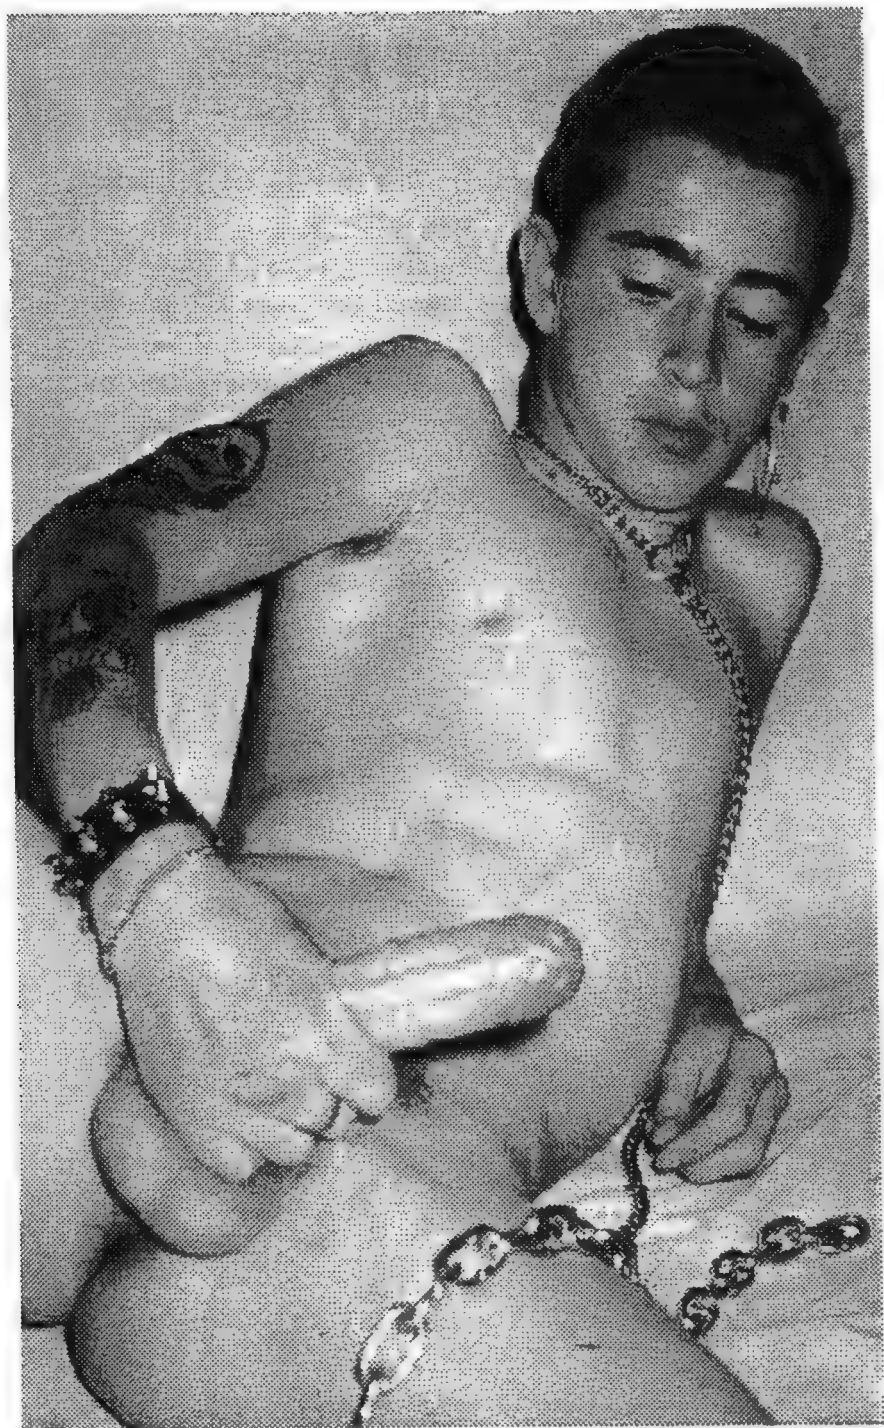

Andrew, like many young houseboys, needs to made constantly aware of his status. A good Master will begin as he intends to continue. And training should start with teaching the novice houseboy some simple and brief commands that he must obey instantly. For instance this is one of the first commands I taught Andrew: 'Naked Kneeling'.

This command means that he must stop whatever he is doing immediately, strip himself completely naked and assume this position keeping perfectly still until another order is given to him. Prolonged periods in this position can also be used as an effective method of punishment.

PROLONGED PERIODS IN THIS POSITION CAN BE USED AS AN EFFECTIVE PUNISHMENT!

GET SIX OF THE BEST ... FROM THE STORYTELLER! 'THE STORYTELLER'S ANTHOLOGY'

Six of The Storyteller's hottest stories bound together in one shining volume!

SCHOOLDAYS - PAINFUL REMINDERS

This story follows the progress of a young lad through public school - his initiation by the older boys - his visits to the games-master for a slipping and to the head for his canings - his relationship as a fag to the 'head' boy. In this story he's really made to work for his 'O' and 'A' levels!

BORSTAL BASTARDS

This story reveals the vicious and sadistic treatment dealt to a young offender in one of the countries most despised institutions. To help support his destitute family the main character turns to crime, gets caught and is sent to an institution to receive his 'short-sharp-shock' treatment. Being young and attractive is soon 'befriended' by the Borstal's head boy and eventually raped.

INCEST BY COMMAND

This story deals with enforced incestuous behaviour - CP - bondage and humiliation. Two brothers are blackmailed into becoming servants (slaves?!) to an older man. They endure thrashings, and are trained to perform all the duties demanded and forced upon them - to obey even when it means total humiliation by performing degrading sexual acts.

BOUND TO PLEASE

This story deals with many forms of bondage, imprisonment and servitude. Captured by a gang of young vigilantes the main character is subjected to imprisonment and harsh interrogation. He is made to endure long periods of bondage secured with ropes, chains, and various other devices. The 'leader' is determined to break his young captive in front of the gang - no matter what it takes!

INFANTILE BEHAVIOUR

This story demeans a mans 'normal' relationships and behaviour. Because he is so weak-willed the main character is easily dominated and finds himself forced to behave and be dressed as a baby. To wear nappies, suck on a dummy, wet his pants etc.

TOTAL SLAVERY

This story involves considerable leather, bondage, corporal punishment as well as yellow and brown action, deprivation and humiliation. For quite a while this 'slave' has been enjoying scenes where he knows he is always in control, but is constantly and frustratingly aware that he needs the 'real thing'. In this story he gets to experience total and complete slavery from a leather clad Master whilst imprisoned and chained in a well equipped dungeon.

The Storyteller's Anthology - £9.95 including postage and packing.

The club has no dress code - but if you have a particular fetish that turns you on *[uniform, leather, rubber etc. - it's all OK with us!]* there are changing facilities plus a coat check available.

Drinks are available throughout the meetings at normal bar prices.

Meetings are held on the 1st and 3rd Saturdays of every month, 2.00pm through 6.00pm. This enables our many out-of-town members to travel in and, if they're not staying in town, to get home again. *Of course it also means that you can spend the rest of the evening with your new found friends!*

Our Central London location (close to Kings Cross mainline station) is easy to get to, and there's plenty of free on street parking.

Membership is just £20 - *and this is now a lifetime membership with no annual renewal fee!* Admission to meetings is £5. So, if you want to join a really friendly club where you can get together with like-minded guys and make new friends then this is the club for you!

Send your name and address together with the £20 membership fee to:

GROUP THERAPY

LET IT ALL HANG OUT!

The new millennium will be bringing some really big changes, and these changes will include the range of products and services we'll be bringing to you. We know from your response that you enjoy what we've been able to offer you so far, and we intend to improve and make these services even better!

What we're now looking for are more creative writers, models, administration staff, computer operators and photographers who can provide an exciting and dynamic input to enable our established staff to expand our well established and very specialised services within our community.

If you think you've got something to offer us then please get in touch.

It's our avowed intention to keep S.T. Publishing right at the top! As the scene's longest established and number one publishing house, we remain dedicated exclusively to the things we enjoy, and with your help we can continue to go from strength to strength.

It could well be that you feel your contribution to our publications might seem insignificant to you ... but we assure you that every contribution, no matter how small, is very warmly welcomed. Right from the very start it was you, our valued readers, that encouraged us to continue our dedicated quest to give our special community exactly what they wanted.

So don't keep it to yourself! If you've something to offer, then please let us know.

This time next year you probably won't be millionaires - *but you might just have made a really significant contribution to the scene we all love so much!*

3I CLUB NEWS (?)

It'll come as little surprise to established members of the world famous 3I Club that it has now become the most popular venue for guys on the SM, CP and fetish scenes *anywhere in the world!* What started out as being a small social club where like-minded guys could discuss their special interests in a secure, welcoming and friendly environment has now grown to become *the largest private membership club of it's kind.*

It's friendly and welcoming atmosphere has now become legendary, and is now quite rightly the envy of the scene.

There aren't many rules or regulations at the 3I Club, and what rules there are (*and there aren't that many!*) are enforced strictly for the benefit of the members.

There's virtually no dress code at the 3I Club, so you can even wear your usual day clothes *and feel right at home!*

If your taste is for uniforms - *from school kit to American style Highway Patrol* - then you'll be made equally comfortable.

The club actively encourages members to change into their favourite kit by offering a spot prize of £25 cash to the best contender at various meetings.

OK, so there are a few dress-code restrictions - no drag or cross dressing, no German SS uniforms or full UK police uniforms, but that's just about it!

It's what most of us would want anyway!

Give it a try - if you really want to meet guys who are into what you're into then you can't do any better!

After all, the rest of the world can't be wrong!
